- -OK, very good. The next task for you. We will read short texts and guess what hobby is it? Is it clear?
- Such people like to visit different cities, towns and historical places. Some people even visit other countries. They can travel by car, by plane, by train, by bus or on foot. This hobby helps them to learn history, geography and traditions of different people and countries.
- -Pupil : *Travelling*
- People like to spend their free time near the rivers or lakes . They often go there with their friends or relatives . They can have a picnic there. They go usually there in summer but some people like to go there in winter too . Also they can boil fish soup after going there.

• -Pupil : *Fishing*

- This hobby is interesting and useful. People try to find or buy different things such as stamps, badges, coins, pictures and dolls. Their collection can be thematic. This hobby helps people to make new friends and to learn some new things about countries and lands, animals and birds, famous people and historical events.

- -Pupil : **Collecting**

- This hobby is popular with the people of all ages. People like to go to the stadium or to the sports ground. They are strong and healthy. Their hobby helps to develop their mind and body and teaches them to plan their time.

- -Pupil : **Sports**

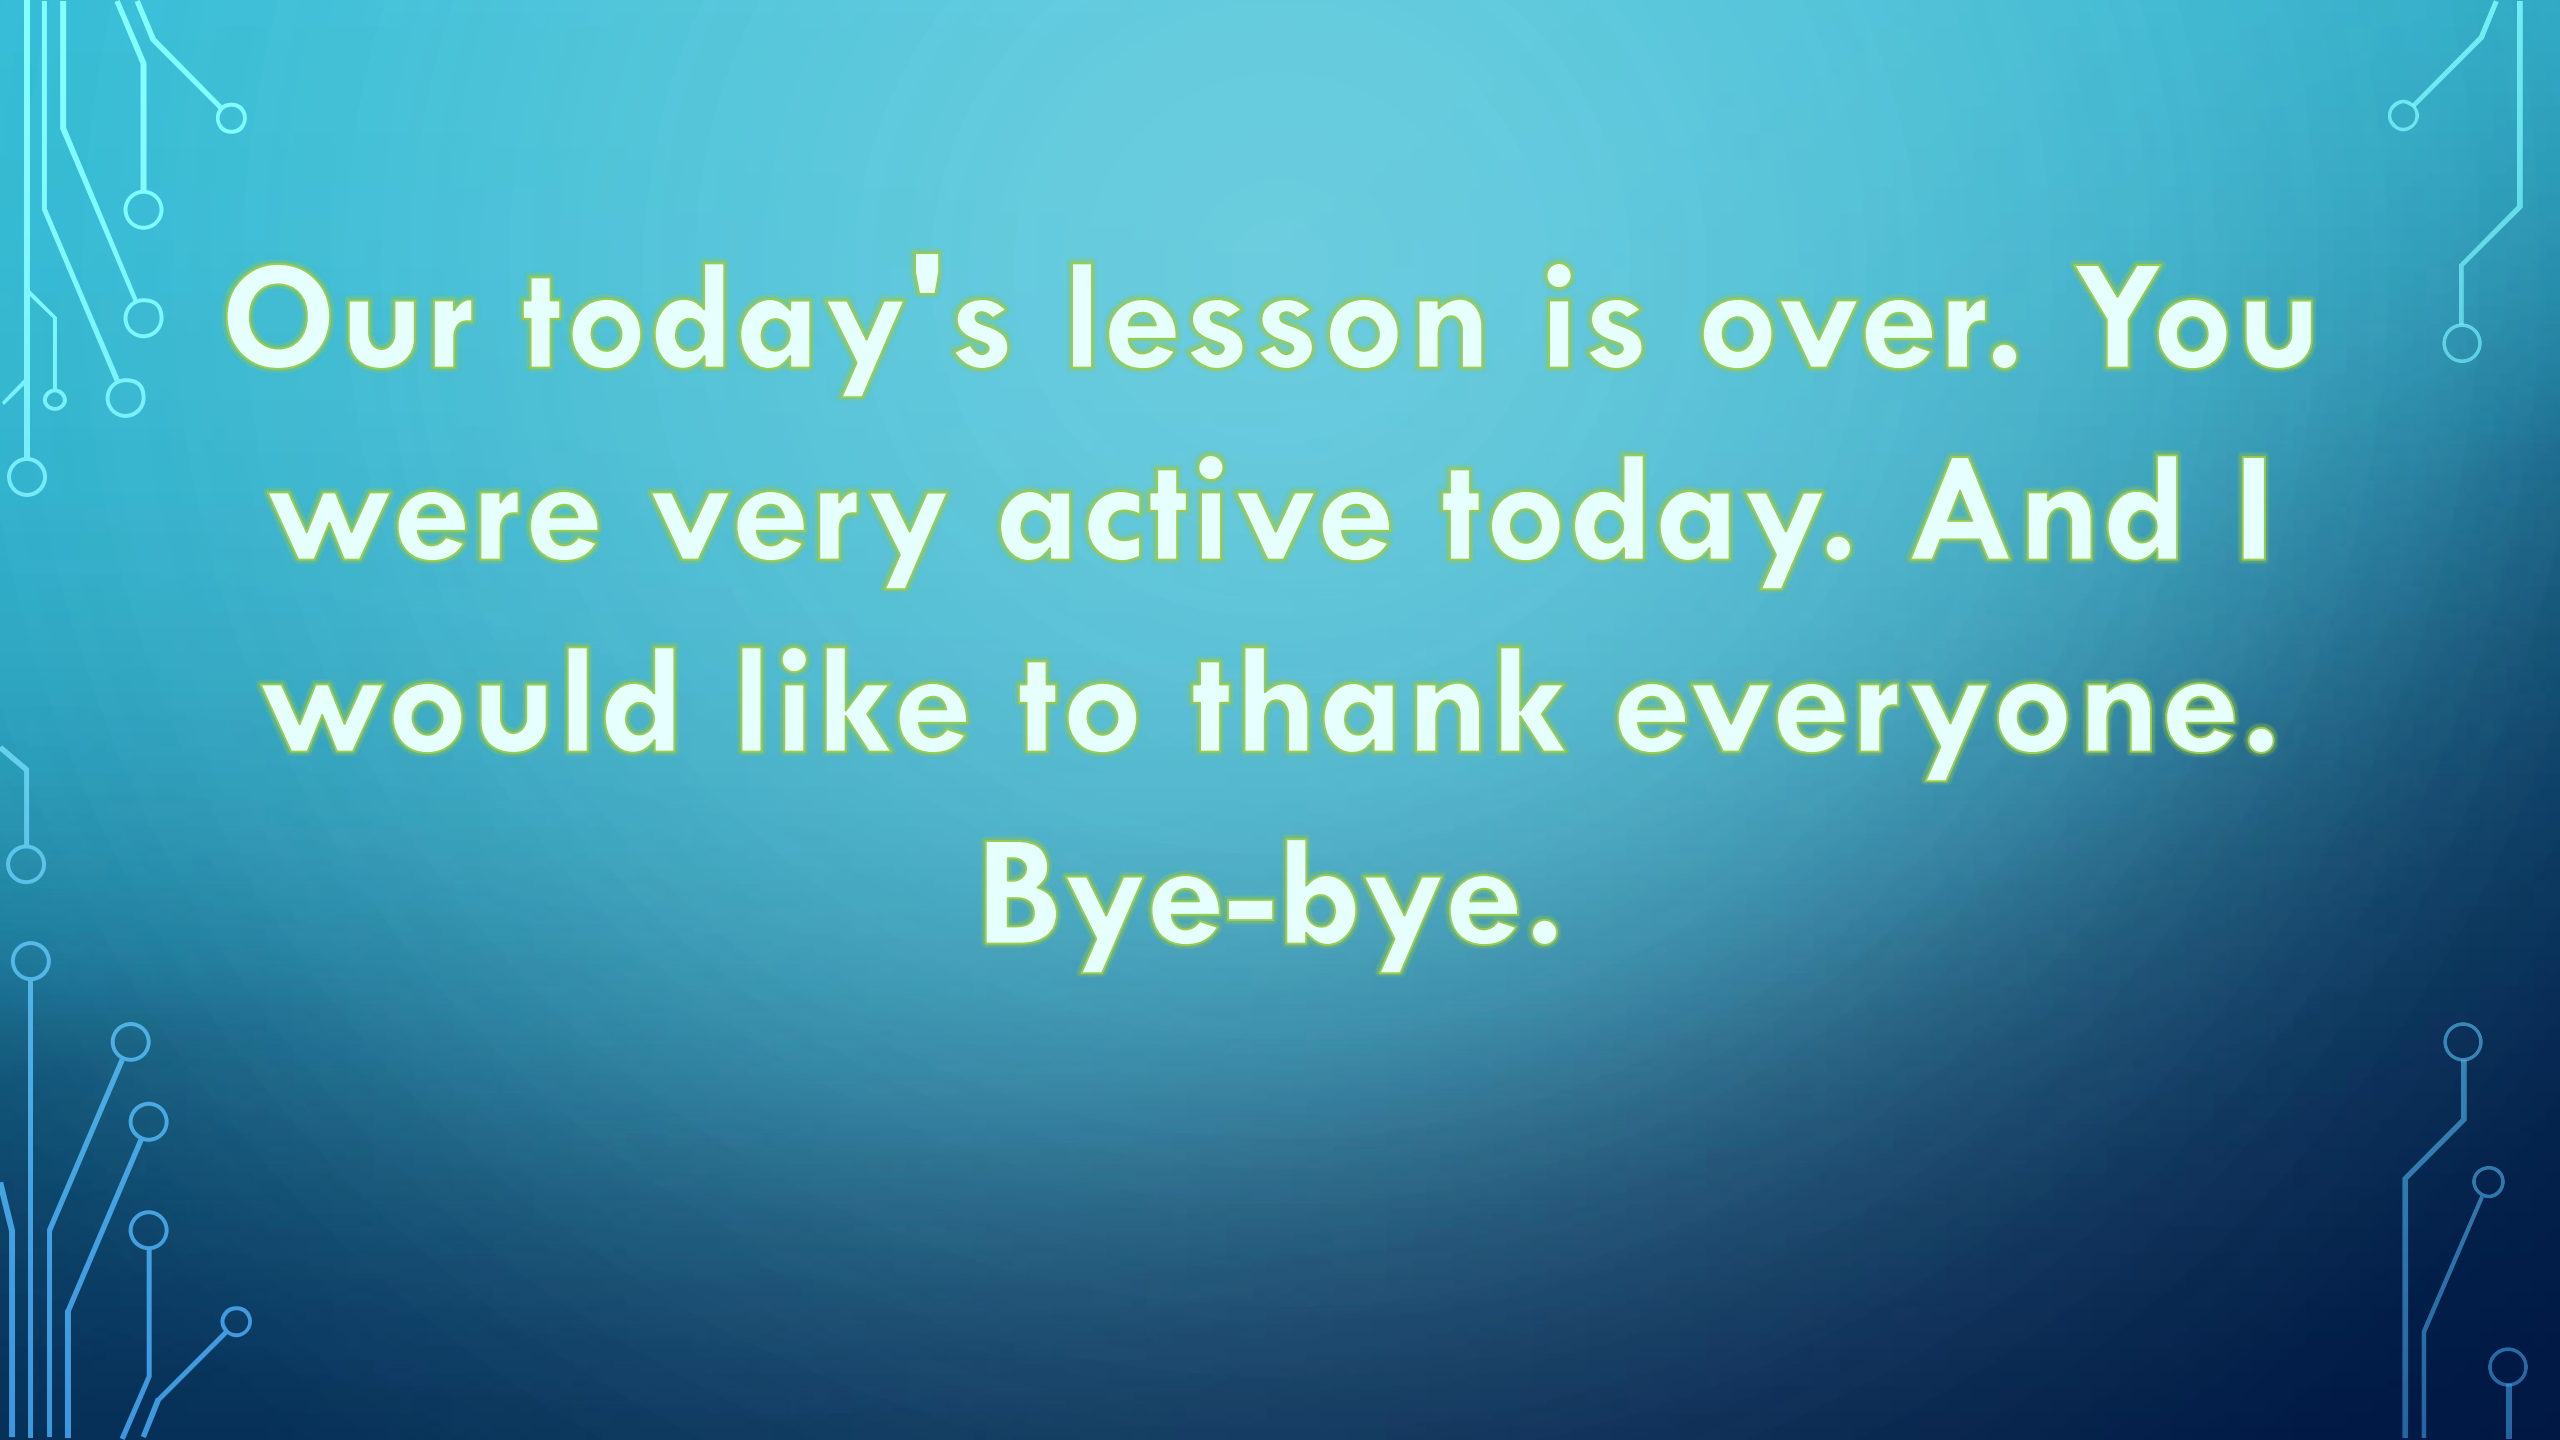

- People like to go to the library. Some of them have a good collection of books at home. And they are really proud of it. They can have different books: fiction, historical novels, books about animals and birds, books about different countries. Their hobby helps them to relax, to learn the world and understand people better.
- *Pupil: Reading*

- *The next task is your home work . Make up stories about your hobbies using the information from these texts and the plan.*

- **The plan:**

- My hobby is ...
- It helps me...
- I can...
- My hobby is very interesting because ...
- I think it is ...

The background is a solid blue color. In the four corners, there are decorative white line-art patterns that resemble circuit traces or neural network connections. These patterns consist of straight lines of varying lengths and thicknesses, ending in small white circles. The patterns are symmetrical and frame the central text.

**Our today's lesson is over. You  
were very active today. And I  
would like to thank everyone.  
Bye-bye.**
